- **Laboratory & Hazardous Waste** – In addition to our group discount on Quest Diagnostics / LabCorp Services, you will receive FREE access to our Stericycle Compliance Center for Regulatory training modules.
- **Pharmacy Services** – Pill Pals®, will serve as your virtual “in house” Pharmacy, mailing compounded and cash pay medications to your patient’s home (not usually covered by insurance).
- **One Stop Shop** – Chiro Pals™ gives you the ability to offer treatment bundles that include both the Chiropractic adjustment and the patient’s medication.
- **Collaboration** – The Health Pals® Team will work with you on other projects such as applying for government contracts at the local, state, and federal level.

- **Prescription Benefits** – Enjoy discounted prescriptions for yourself and immediate family members.
- **Telemedicine Platform** – We provide you with access to use our telemedicine platform at no additional cost.
